A note from Class 1...

Class one would like to mention our four new nursery children who have joined us this term. We are learning all about what keeps us happy and healthy this half term. The children have loved playing in our bathroom role play area and creating some rather extravagant hairstyles! We are looking forward to find out more about healthy living over the next few weeks.

Coming up @ Crawford...

DID YOU KNOW?

Why is Ecuador in the news?

Because an underwater swimway was created around the Galápagos Islands...

...to protect migrating sea animals!

The new swimway will make the existing natural reserve twice as big and will protect animals from big fishing boats.

The reserve is a safe area for many endangered species ...

...such as turtles, sharks, seals, rays, tuna and other fish!
