

## Class 3 Spring 2 2023

### Passport to Europe – A study of Greece – Athens. (Geography)

#### What will we be learning?

- The location of Europe and its countries.
- Why tourists visit the Mediterranean.
- The reasons why people migrate to Greece.
- The features of Greece's varied landscape.
- The main features of Athens.
- To compare daily life in Athens with my own.

#### Key Knowledge

- Modern-day Greece is a country in the European Union. Its capital city, Athens, is rich in sites of human and historical interest.
- Greece, with its warm climate, varied landscape and location on the Mediterranean Sea, is a popular destination for tourists.
- It has also become a place that people migrate to from countries such as Syria. There are many reasons that can push and pull people away from their homes to live somewhere else.

#### Key vocabulary

**Border:** A line that separates two countries. You may need a passport to pass from one country to the other.

**European Union:** a group of twenty-seven countries in Europe that co-operate on trade and many other aspects of life.

**Currency:** A system of money in general use in a particular country

**Migrant:** A person who moves from one place to another.

**Retail:** The sale of goods to the public in relatively small quantities.

**Service industry:** A type of business that provides services to customers rather than producing a product.

**Tourism:** When people travel from where they live to another place for pleasure or relaxation.

**Vegetation belt:** An area with distinct plant types.

Place names	Locational terms
