A note from Class 2...

What a lot of superstars we have in Class 2!

We have thoroughly enjoyed taking part in British Science Week, which has included a live lesson for Years 1 & 2 connecting tractors to space and experiments including travelling colours and fingerprints. We have also been continuing our learning on materials in our regular science lessons.

In history, we learned about the life of Neil Armstrong and sequenced important events in his lifetime – can you guess what we thought the most significant part of his life was?

This week, we have also been doing our assessments and everyone has tried their very best – well done to everyone!

Finally, we ended this week on a very colourful note – everyone looked amazing dressed in support of Comic Relief and in recognition of St Patrick's Day.

Coming up @ Crawford...

Dear Parents

It's been another busy week here in school. All the children seem to have enjoyed the extra activities we have included as part of National Science Week. Thank you to all those parents who sent in their child's 'Science Selfie' – as always, there were some amazing photos and it's so wonderful to see the children enjoying science outside of school. We'll be judging them at close of school today and announcing the winners on Monday!

We had a really lovely afternoon yesterday with lots of mums and nans attending our Mother's Day Afternoon Tea. It was a great opportunity to get together and enjoy a friendly chat over a cup of tea. A huge thank you to the PTA who helped organise the event (and who gave up their time to make some of the delicious cakes on offer!).

Only two more weeks until Easter ... please don't forget, children can bring in their decorated eggs from Monday – they always look so amazing on display in the corridor. We will be giving a sweet treat out to all who participate. Hopefully, spring is just around the corner; after the Easter holidays, the children will be able to wear their summer uniforms, if they wish. We are also hoping that the weather starts to improve enough so that the school field can be back in action at playtimes (always a source of huge excitement every year!)

We are looking forward to seeing some of you at our planned Easter events over the next couple of weeks, if you are able to join us.

In the meantime, have a wonderful weekend.

GREEN FAYRE MASCOT COMPETITION

West Lancashire Ranger Service is offering primary school pupils across the Borough a chance to participate in a mascot competition for the Green Fayre event on 22nd and 23rd July 2023. The mascot will represent all things sustainability, recycling and the Green Fayre!

What is the Green Fayre?

The Green Fayre is a **zero plastic event** and provides fun for all in a **sustainable** manner. It is a celebration of both the countryside and countryside living, with traders and exhibitors showcasing traditional crafts and techniques, working natural materials into products and goods that we use in day-to-day life.

Can you design a recycling mascot?
Give your mascot a name if you like!

Your Green Fayre mascot will be the star of the show, helping visitors to find their way around, recycle, and will lead the countryside celebrations! Your happy mascot should include **green** and stand out from the crowd to encourage everyone to be eco-friendly!

If you win...

The winning entry will be transformed into a cartoon mascot who will play a vital role in the Green Fayre, featuring on leaflets, signs, recycling stations and much more! The winner and two runners up will also receive gift vouchers and other prizes!

Entries must be submitted by **Friday 31st March 2023** via email to amy.carmoll@westlancs.gov.uk

Up Holland Methodist Church,
Alma Hill, Up Holland, WN8 0NR

Children's CHURCH

Worshipping God through creativity, fellowship

4.00-5.00pm
Tuesday 14th March
Tuesday 18th April
Tuesday 9th May

All Welcome

Please book your place (with the number of children and adults attending) by emailing uphollandmethodist@outlook.com

Entries should be handed to the school office by **Wednesday 29th March** at the latest.

Thank you to everyone who donated towards our collection for Comic Relief - so far we have raised £80.50 towards this fantastic cause.

DID YOU KNOW?

Why is Egypt in the news?

Because a mysterious sphinx statue was discovered inside an ancient tomb...

...it has a smiley face and dimples!

ODDIZZI **THE DAY**
Build a better world

Sphinx statues have a lion's body with a human head and usually depict pharaohs. But it's very rare for them to be smiling!

To learn more about this statue and who it was made for...

...scientists will study the markings inside the tomb!

ODDIZZI **THE DAY**
Build a better world
