A note from Class 1...

Since returning after the Easter break, the children have been focused on traditional tales. So far we have covered Jack and the Beanstalk and Goldilocks and the Three Bears. They have been fully engaged in retelling and role playing the stories. The children have been building beanstalks and enjoying a lovely warm bowl of porridge. We are looking forward to taking a trip through the woods with Little Red Riding Hood next week.

Coming up @ Crawford...

Dear Parents

Welcome back to school - I hope everyone has had a great Easter holiday! It's hard to believe we're now in the Summer term – it really does fly by, especially as this usually turns out to be such a busy term!

Year 6 SATs

Our Year 6 SATs are coming up the week after next. All of our Y6 children have worked SO very hard. They have all made such amazing progress since September and the teaching team have been incredible in supporting them. We are completely confident they are ready for any challenges and will give their absolute best ... and that is all we would ask of them! It goes without saying that we are immensely proud of each and every one of them for all their hard work and dedication.

King Charles III Coronation

King Charles III Coronation celebrations on Friday 5th May - we are going to have our special day for the King. The day will involve dressing up, 'A Royal Banquet', some 'Coronation-themed games' and lots and lots of fun. It's going to be fabulous! We hope you can join us for the Royal Feast from 2:30pm.

Wishing you all a lovely extended bank Holiday weekend!

MUSIC MARK

PROUD TO BE A MUSIC MARK SCHOOL

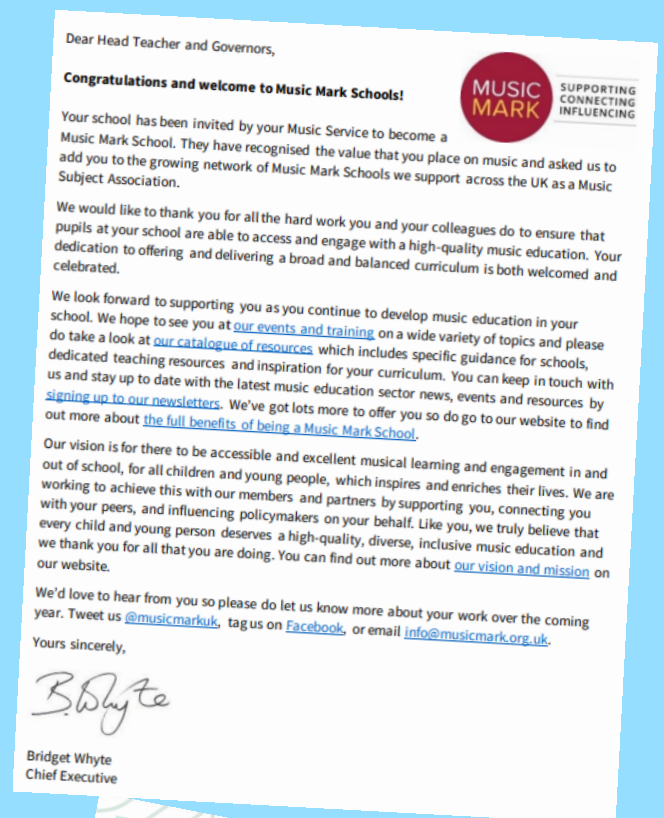

2022 - 2023

We are thrilled to announce that our school has been awarded Music Mark!

This prestigious award recognises our outstanding commitment to providing a high-quality music education to our students. We are so proud to have received this recognition and want to thank our dedicated staff and talented students for all their hard work.

At our school, we believe that music education is crucial for every child's development. Research shows that studying music improves academic performance, enhances creativity and boosts self-confidence. We are committed to fostering a lifelong appreciation for music in our students, and this award is a wonderful testament to our efforts.

We are excited to continue to provide outstanding music education to our students and look forward to the opportunities that the Music Mark award will bring.

Recycling and Responsibility Assembly

On Wednesday, Class 2 and 3 were visited by members of West Lancashire Borough Council who came to present a special assembly. The children were extremely welcoming as we learned and asked questions about issues such as littering, recycling and reusing and the responsibilities of dog walking.

Why is Wales in the news?

Because the Brecon Beacons National Park is changing its name...

...It will now be officially known by its Welsh name, Bannau Brycheiniog!

ODDIZZI THE DAY
Build a better world.

It's the old Welsh name for the area and is pronounced Ban-eye Bruck-ay-nee-og!

The name change celebrates the area's nature and history...

...as well as Welsh culture and language!

ODDIZZI THE DAY
Build a better world.

Over to you!

Using the world map, where is Wales in relation to the Tropics and Equator? What do you think the climate is like?

Do you know any facts about Wales?

Does a name matter? Why/why not?

ODDIZZI THE DAY
Build a better world.
