Sporting Journey

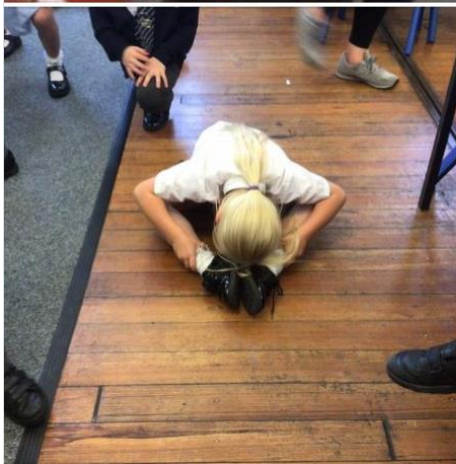

2022-2023

Class Three absolutely loved taking part [#NationalFitnessDay](#) we enjoyed doing lots of @GoNoodle warm up dances before each lesson today! @WestLancsSP

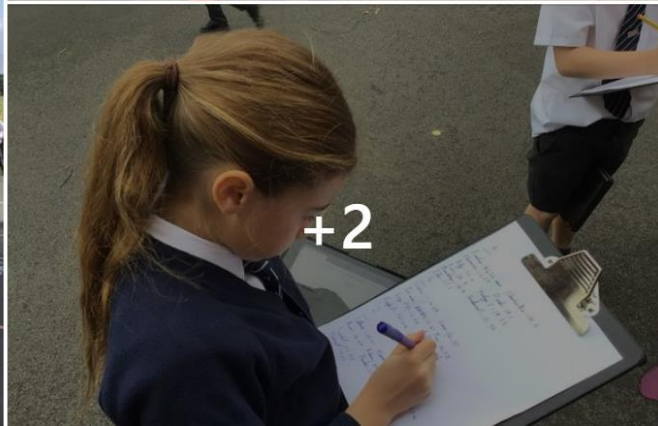

It was lovely to see the autumn leaves falling during our daily walk today 🍂🍁🍂🍁🍂

Our Sports Ambassadors have arranged a personal best competition this week, challenging children to run the fastest lap of our track. Children have enjoyed this every break time this week, coming back each day to beat their previous time. [#wlsppersonalbest](#)

Congratulations to our magnificent Hi fivers who put in a tremendous performance at Our Lady Queen of Peace. The tournament was held over two nights and the children played many different matches throughout the event. Our team conducted themselves beautifully, showed real determination and as always super sportsmanship. We were so proud of them all and many thanks to Gwen and Mary for all their help and support.

Pe

Class 3 Our amazing Sports Ambassadors took part in a special Zoom meeting with Alex Openshaw (WLSP) today to introduce themselves and discuss their plans to help develop sports and PE throughout the Year.

Our expert Benchball team went to a warm up competition at Brookfield Park Primary School on Thursday.

We had so much fun playing against St James and Brookfield Park, that we already can't wait for the competition now. We played three games in which we lost one, won one and drew one.

Our children played with great enjoyment, enthusiasm and the right sporting attitude, I'm sure come the actual competition we will do really well.... [See more](#)

Ready to represent Canada and Crawford Village at the small schools World Cup Event hosted by [West Lancashire Sport Partnership](#)

What an absolute bunch of superstars. Most of the results didn't go our way and we finished fifth in the group stage. We managed two wins overall though and came second in the mini-competition after the groups. We've had so much fun and I couldn't be more proud of the effort, teamwork, respect and friendship that I have witnessed today. [#WorldCup2022](#) [#canada West Lancashire Sport Partnership](#) Today was so much fun, there were so many schools here, it was such a great experience. - Luna

Year 6 had a brilliant time at the dodgeball competition tonight. We won some, lost some but more importantly we had fun! - Dodging the balls is really fun, but really difficult too! - Joe.

Fundamental Movement Skills Festival 2023.

Well done to the children who participated in this event today. They played games, learnt new skills and most importantly had fun! As always the children represented our school impeccably.

One of our amazing sports ambassadors has been leading his own [#wlsppersonalbestcompetition](#) linked to [#SchoolsFootballWeek](#) He has created a shooting game testing children's accuracy from different angles.

Our other amazing sports ambassador has also been hosting a [#wlsppersonalbestcompetition](#) linked to [#SchoolsFootballWeek](#). She has created a dribbling course and is timing how quickly children can complete the course.

We have also been holding penalty shootout competitions during dinner time.

[Your School Games](#)

Our Year 3/4 football team took part in their first tournament tonight. After three games we were undefeated with a record of three draws. We had an amazing time!

I can't believe I scored. We had so much fun. - Gabriel.

I really enjoyed playing in goal. I made some amazing saves. - Bethany.

Congratulations to our amazing Multi Skills team on winning the West Lancs Competition today.

What an amazing effort from an amazing group of KS2 pupils.

We loved the competition. All of the events were really fun, but I loved winning the most. - Harry.

Wow. What a night! Our children danced their socks off and absolutely wowed the audience!!!
Well done to all of you ★

This morning, some of our KS1 children attended a mini wheelers held by [West Lancashire Sport Partnership](#). Everyone enjoyed themselves immensely and represented school so well.

It was so much fun! - Everyone

A fantastic start to our early morning Hi 5 club. We're all warmed up and ready for the day!

Our super orienteering team! We had lots of fun in such a lovely environment. It was fun trying to get all of the stamps running free! - Finley Wroe

What an absolutely amazing time some of our lucky Year 5 and 6 pupils have had today at a special Rugby Event. They received specialised coaching from the coaches at Wigan Warriors Rugby club during the morning before taking part in some games in the afternoon.

This was so much fun. I enjoyed doing the training and playing the games. We'd done rugby in PE so I wanted to do more. - Alex.

Can I just say wow! What an amazing bunch of pupils I had the pleasure of taking to the WLSP cross country event. Everyone taking part showed excellent perseverance and determination while racing. We had some fantastic results with Florence coming 3rd in the Y3/4 race. Lucy PH coming 1st and Sophia coming 2nd in the Y5/6 race. And the Y5/6 girls team coming 3rd Overall. Well done to everyone that entered, I'm extremely proud of all of you! 👍

I loved running on the field rather than a track. I'm proud of my achievements as well as my friends. - Sophia

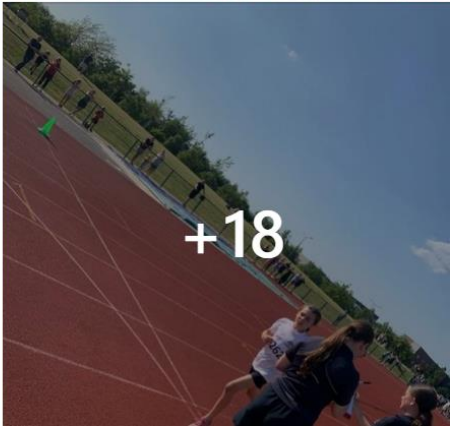

Our Sports Councillors have been training Y2 pupils during the previous half term to develop their running, throwing, kicking and jumping skills. Today they took a team they'd selected to take part in a skills festival at Burscough Sports Centre. I was extremely impressed with the high standards on display from all pupils and their determination to improve their own performance on each task. Well done everyone!

I enjoyed designing a mascot for the competition. It was also brilliant fun designing and demonstrating the obstacle course to the year 2s. - Lucy

Wow. What an amazing evening at Edge Hill University our Year 3/4 athletics team have had! They took part in four events each with great success. We had pupils win their events, improve their personal bests and more importantly, they had fun. In an event where at least 250 children attended and at least 125 girls, our superstar Year 4 Evie came third overall!!! What an amazing achievement. They whole team did really well and while the team finished outside of the top 3, I couldn't be more proud of all of them. Well done. [West Lancashire Sport Partnership](#)

I thought we did really well. It was really good fun and we all kept trying our best. - Emilia

Our children have had a fabulous time on the lake this afternoon. Thank you to our resident paparazzi, Lucy for the fantastic photographs.

This morning another group have enjoyed the Ghyll scrambling. Looks like they have all had an amazing time!

What an amazing day. We lead the West Lancs Team parade, played lots of tennis, won lots of games and made new friends. Lucy spent some time in the VIP tent with Blackpool council and the Mayor of Blackpool alongside other winners of Cultural Competitions. She read her pledge to the council and the Mayor who were extremely impressed with her confidence, delivery and ideas. We then played even more tennis games and finished with a party! [West Lancashire Sport Partnership](#) 🥳

I was really nervous at first doing my speech, but I enjoyed the experience. It was fun to help out and see all the other events take place - Lucy.

Our fantastic Y4 footballers attended a competition at Edge Hill university today. We won 2 and lost 2 and had loads of fun doing so. We're really proud of the effort, determination and teamwork everyone showed in victory and defeat. Well done Y4!

I loved playing against other teams, especially when I scored! - Gabriel.

Sports Day 2023

Wow.
What an amazing afternoon we had.
We were really lucky with the wether and it was lovely to have lots of spectators cheering on the children. Well done to Revens for winning the event.
Thank you so much to Mr Wilson for the lovely photographs.

Crawford Village Primary School

has achieved the Gold School Games Mark
award for their commitment, engagement
in the School Games for 2022/23.
