

**What will we be learning?**

- Gain place knowledge of a small area of the United Kingdom.
- Use basic geographical vocabulary to refer to key physical features and key human features.
- Explore and record features of our school grounds.

**Key vocabulary**

- **Human features:** something that is built by humans and would not have existed in nature e.g. houses, factories, farms, harbours, cities.
- **Physical features:** something that has happened naturally e.g. forests, cliffs, the sea.
- **Landmarks:** something that is easy to see (e.g. a building, large tree, statue) that is easy to see and can help a person find the way to a place near it.
- **Aerial photos:** photos that are taken from above with a camera mounted on an aircraft, balloon, drone or similar.
- **Scale:** a map scale is the size of an object compared to the size of the object's representation on a map.
- **Map symbols:** something that represents a real object or place on a map – this could be words, letters or pictures.
- **Key:** a key on a map tells the reader what the symbols mean.
- **United Kingdom:** a country that includes England, Scotland, Wales and Northern Ireland.
- **Rural:** places or things in the countryside.
- **Urban:** places or things in a town or city.
- **Land use:** the way in which people use land.
- **Recreational:** an activity that is done for enjoyment.

- A recreational area is somewhere to go and play:

- Human recreational areas – made by humans

- Physical recreational areas – natural, not made by humans
