A note from Class 1...

Class 1 have had another busy few weeks learning about some influential figures related to Black History Month. We talked about how Rosa Parks stood up for what she believed in and created some beautiful artwork inspired by a black artist name Alma Woodsey.

Alongside this we have been finding out all about the festival of light, Diwali. We have been tasting a variety traditional Diwali treats and enjoyed creating some Rangoli and Mehndi patterns.

We are looking forward to learning about other countries, cultures and celebrations around the world of the next few weeks, especially...CHRISTMAS!!!

Finally, thank you to everyone who came to our Stay & Play session this week. We hope you had lots of fun seeing your little ones in their classroom environment.

Coming up @ Crawford...

Diary Dates

Mon	Lunchtime - School Council / Choir / Self Love Club
Tues	After School - Eco Club
Wed	Lunchtime - Spanish / Chicken Club After School - Craft Club
Thurs	Lunchtime - Brass / Chess
Fri	Lunchtime - Coding Club

13th November 2023
Anti-Bullying Week
Odd Socks Day

17th November 2023
Children in Need Day

Later in the half-term:

24th November 2023
Posh Nosh

28th November 2023
Flu Vaccines
C1 Forest School (-30th)

5th December 2023
Christmas Shop
(dads and grandads)

7th December 2023
Christmas Shop
(mums and nans)

8th December 2023
National Christmas Jumper
Day

On Wednesday, our School Council presented four chosen charities to the whole school in a special assembly. These four worthy charities were The Red Cross, NSPCC, Guide Dogs and Macmillan.

In line with UK Parliament Week, every member of the school community had a vote, carried out by secret ballot. Our Head Boy and Head Girl presided over and counted the votes and are delighted to announce that the winner, and the charity that we will be supporting this year is... **Guide Dogs!**

Find us on social media...

Crawford Village Primary School

@crawford_school

Don't forget to log on to your child's Seesaw account. You will find work that they do in school, photographs and videos that are not uploaded to social media and you can upload photos from home. Please ask if you are having any problems logging on and we will help if we can.

Do not forget to check out our school website! You will find details of upcoming events, term dates, important key documents and policies plus lots of information and photographs showcasing what we have been doing in school.

Meet the Governors

Mrs R Kerry
Parent Governor

Responsibilities:
Pupil Premium
Sports Premium
Mathematics
Pay Committee

Hi, I'm Rachel and I've been a Parent Governor at Crawford since February 2021. I love being part of the Governing Body team here, using my skills to support the school. My son, Lewis, who is now at high school, joined and progressed through Crawford from year 1. My daughter, Eleanor, is now in year 6. It's been a joy to see them both thrive at Crawford.

I've had a varied career history. In my early employment I worked as a Secondary School Teacher of Design Technology, before working as a Bank Manager, in branches and latterly using my experience at their head office. This was followed by me working for a national Christian broadcasting charity, heading up their Prayerline service with a large base of volunteer telephone call handlers. I now work as an Executive Pastor, alongside my husband, overseeing a network of churches. Much of my volunteering time is with our church-based children's groups.

I enjoy exploring the world around me, learning new things, visiting new places, reading, sewing and crocheting. I'm married to Stephen and with our two children, Lewis and Eleanor, we love spending time together exploring the countryside with our dog, Scout, visiting National Trust properties and enjoying games and film nights together.

Meet the Staff

Mrs H Carter
After School Club Manager

Hello, I am Mrs Carter; I manage the After School Club.

After working in the travel industry for 11 years, I left to care for my young family and take on a new role as a registered childminder for 13 years. Due to unforeseen, family circumstances, in early 2006, I had no choice but to give up this role.

In October 2006, I started to work in a local primary school, where my duties were running the After School Club and as a Learning Support Assistant. I have gained many years of experience plus numerous, childcare qualifications to support me in my various roles.

I enjoy all aspects of my job from planning and preparing crafts to caring for your children, in a warm, friendly environment.

My homelife is always busy, supporting and caring for my family, holidaying, crafting in my craft room and more recently developing a small vegetable plot at the top of my garden.

 **Where?**

This week's story looks at events in...

 **What?**

Around 380 young white seahorses were released in the water at Sydney Harbour.

This follows the scientists' mission at the Sydney Institute of Marine Science to raise the youngsters in special habitats and help them survive.

The seahorses were released by scuba divers, and fitted with trackers so that scientists can monitor their survival and reproduction.

The Sydney Institute of Marine Science have recently announced that some of the seahorses are now pregnant!

Sydney Institute of Marine Science X Page.

 **Why?**

White seahorses were declared endangered in 2020, due to habitat loss and pollution.

White seahorses are only found on the east coast of Australia, so it is especially important to scientists that they are protected.

The conservation and release of the white seahorses will hopefully restore their population.
