

## School Council Halloween bake sale

School council decided to get together and have a school bake sale and a raffle on Halloween to raise money for water-aid which was their charity of choice.

Overall they made £89.70 and the winner of the raffle prize was Mrs Manning and a pupil from class 1.

Thank you to everyone who donated and to all of those parents who were roped into making and buying cakes to sell (and then told to buy them back!)

Well done to all of our school councillors for their hard work.
