Key Questions

What is a blog?

What can a blog be about?

How are the audience involved in a blog?

A blog is a website or webpage that is regularly updated by the author. A blog also allows the reader to post comments or opinion based on what is written.

A blog can be written about any subject. You could write a blog about school such as information about the subject you are studying. Alternatively, you could write a blog about your favourite team or movie.

A key feature of blogs is that the audience can leave a comment or opinion about what they have read on the blog.
