## A note from Class 2...

What a busy couple of weeks it has been in Class 2!

In English, we have enjoyed creating our own characters and writing a story based in a farm setting while in history, we have been learning about the Celts and have built our own roundhouses. In science, we have found out what is inside a seed and are continuing to watch how our bean plants grow.

On Tuesday, Class 2 went on a fantastic trip to St. Thomas the Martyr Church in Up Holland – we learned so much!

Finally, as part of Mental Health Awareness Week, we have been taking extra time each day to think about things we are grateful for and to be aware of our feelings.

## Coming up @ Crawford...

Y4 Multiplication Check  
window opens

Dear Parents, Carers and Children

It's been a busy week in school this week and certainly one our Y6 children will remember for a while as they've sat their KS2 SATs – the first ones to be administered since 2019! We are bursting with pride at the way our Y6s have conducted themselves this week and through the lead up to the SATs. They really couldn't have put in any more effort and the determination and resilience just oozed from them. We all felt slightly emotional watching them literally mature before our eyes! A massive well done to them ... and today they enjoyed their first post-SATs surprise treat – a game of bowling and then on to McDonald's. Next week, the Y2s will taking their KS1 SATs, which will be a much more low-key event for the children.

Class 2 had a wonderful visit to Up Holland Church on Tuesday and we received some fabulous feedback on their engagement and behaviour. As always, it's a pleasure to take our children to any community event as we can always rely on them to represent our school so well.

There are lots of events taking place before half term so please don't forget to check the diary dates above .

Wishing you all a happy weekend.

Forest School is an inspirational process that offers learners regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a natural environment with trees, flora and fauna.

We are delighted to announce and pass on huge congratulations to Miss Davies who has completed her long training journey to becoming a qualified level 3 Forest School practitioner.

Congratulations to our talented chess players, who enjoyed a tournament set up with St. Thomas the Martyr Primary School.

Superstars!

Well done Year 6!

SATs have finished. A huge round of applause to all our wonderful Year 6 children who have shown amazing focus and determination this week. We are so proud of them and hope that they enjoyed their visit to Hollywood Bowl and McDonald's today - a well deserved treat for a wonderful group of hard-working children.

## Why is Australia in the news?

Because Australian airline Qantas said it will introduce a non-stop flight from Sydney to London in 2025...

...taking over 19 hours, it will be the world's longest flight!

### Quantas bought a fleet of Airbus A350-1000 jets, capable of direct flights to any city on the planet.

*Spending so much time in the air can be difficult...*

*...so the seats, lighting and meals on long flights are specially designed!*
