A note from Class 1...

We have had a busy couple of weeks in Class 1.

We have enjoyed spending lots of time outside looking after our bean plants and planting some beautiful seasonal flowers. The Reception children are getting ready for the transition to year 1. They have been writing some fantastic stories and working really hard in maths.

The Nursery children are also getting ready to move up to Reception and learning how to write their name. They have all been super busy getting ready for Sports Day.

Well done Class 1 you did amazing!

Coming up @ Crawford...

Dear Parents, Carers and Children

We've had an exciting and busy start to the final half term of the year! Lots of sports competitions have been taking place and our children have done us proud – not only in terms of performance but also in their attitude and sportsmanship. Last Friday, our Y6 Cricket Team came first in the Kwik Cricket competition and their run of success continued with a win at the Football heats earlier this week. We're now rooting for them in the final against St Thomas the Martyr on 12th July.

Our Y6 children are very busy at the moment preparing for their business enterprise project, Dragon's Den. They'll be pitching their 'design briefs' next week to the Dragons and we'll be sending out more details of their exciting innovations very soon!

Thank you to the parents that attended our PTA meeting last Monday. We are hoping next year to re-start our efforts in earnest from September so please, if you can spare some time, do join the PTA for our next meeting. We are a little short on numbers since the pandemic and all help would be greatly appreciated.

We are keeping our fingers crossed for good weather this afternoon for our Sports Day – let's hope we can dodge the thunderstorms and enjoy a great afternoon!

Have a lovely weekend.

We have had some fantastic sporting successes over the last couple of weeks. Last Friday, we entered the Year 6 Kwik Cricket event yesterday and finished first with a record of 3 wins and 1 draw! A truly amazing team effort. This week, we took part in a Year 6 football tournament and our team was absolutely amazing. We won both games, 2-0 and 3-1 and we're now through to a Champions final. Well done to all involved!

DEVA

ROMAN DISCOVERY CENTRE

Why is Mexico in the news?

Because the ruins of an ancient Mayan city have been discovered...

...under a construction site!

Over 4,000 Maya people lived in this city, called **Xiol**, between 600 and 900AD.

There were palaces, pyramids, squares and many buildings...

...Arrowheads, clay pots, seashells and tools were also found at the site!
