## A note from Class 2...

We have been enjoying lots of fun activities in Class 2 over the last couple of weeks! Mr Brearley has joined us while Class 3 are at Borwick Hall and has been teaching us all about Malawi ahead of the Commonwealth Games event our Year 3s are attending next week.

We also listened to a special poem on National Chocolate Day and enjoyed a tasty piece of chocolate cake - it was yummy!

In history, we looked at some real Roman artefacts and thought about the people that could have owned these long ago.

In science, we learned about the important work of Marie Curie and how she helped to discover x-rays. We identified different bones in our bodies before using our green screen technology to make our own 'x-rays'!

We hope you all have a lovely weekend - from Class 2.

## Coming up @ Crawford...

**Close for Summer Holidays**  
**1.30pm**

Dear Parents, Carers and Children

This week has seen us receive our SATs results for our Year 6 pupils. We are incredibly proud of their achievements and the results speak for themselves – they are amazing! 100% of our pupils in Year 6 achieved the expected standard in reading, writing and maths combined, compared to 59% nationally. We also had some fantastic greater depth scores with 50% of our pupils achieving greater depth in maths. Of course, school isn't all about always getting top scores in tests but these children have been true examples of what hard work and tenacity can achieve, especially given the fact that much of their upper KS2 education was disrupted by COVID. They are now enjoying a little bit of extra-curricular fun as they prepare for their final week of primary school.

In other success stories, our Y5/6 team won the inter-school book quiz on Tuesday after successfully answering questions on Harry Potter novels and Gangsta Granny. They were brilliant! Plus, we are also looking forward to the inter-school football match on Monday where our team has got through to the grand final. The match will be at St Thomas the Martyr at 3.30pm so please come along and support if you are able.

We have also been following the adventures of the children at Borwick Hall. They appear to have had a wonderful time – there'll be some very tired children this evening, I think!

There's lots of events coming up as we now approach the end of term – keep your eye on the calendar section of the newsletter or visit our website to ensure you don't miss out.

Have a great weekend, everyone.

## CRAWFORD VILLAGE PRIMARY SCHOOL & NURSERY

### PTA

Our Mission...

...to bring together parents, teachers and the local community to fundraise and support our children's education at Crawford Village School

**It's with great delight that we're finally able to begin our PTA activities again!**

Our PTA is a fundamental part of our school community and it's at risk of closure without your support.

We really don't want that to happen, so in the Autumn term, we hope to begin some of our usual fundraising activities and would love to hear new ideas. **However big or small your contribution can be,** we'd love you to be involved in the fundraising, fun and friendship that is at the heart of the PTA.

**Funds raised: Over £9,000!**

2016-2017 - £2,300

2017-2018 - £2,400

2018-2019 - £3,128

2019-March 2020 - £1,292.10

**Usual PTA Events:**

**Autumn Term:**

Cinema Night, AGM, Christmas Cards & Christmas Fair

**Spring Term:**

Cinema Night, Easter Quiz Night, Mothers Day Afternoon Tea

**Summer Term:**

Ice Cream Fridays, Fathers Day Breakfast & Summer Fair

**More recent items purchased include:**

School reading books, donation towards the new chicken pen, Crawford Bears, bouncy castles, sports day ice pops and school defibrillator.

"When children see us involved in their school and learning, it encourages them to do their best... Please join us!" **Mrs Eaton**

School Bears

School's own defibrillator

Welcoming the children back after lock down!

### PTA Members

Chair - Gwen Sawyer

Vice Chair - Heather Bond

Treasurer - Louise Harrison

Supported by: Amanda Gendall, Sarah Yates, Jemma Price and Rachel Kerry

- St. Helens concert band

Visit our page:

@Crawfordsummerfair

## Why is Morocco in the news?

Because special giant nets were installed high in the Atlas mountains...

...to trap fog and turn it into water!

Summer in the Moroccan desert is very dry. The fog nets can provide thousands of people with fresh water.

Fog is made up of tiny water droplets. They get caught in these nets...

...then drip down and fill up the water flasks!
