16th September 2020

Dear Parents

Homework

We are planning to recommence sending homework home from this Friday, 18th September. It is our aim to minimise any worksheets / workbooks being passed between school and home so we will be setting online homework using the Purple Mash platform.

Homework will be set as follows:

Class 1 (Reception pupils) – please ensure your child reads regularly at home. A letter was sent out earlier this week about reading books and your child will be bringing their first ones home this week. These should be brought in on Fridays along with their reading record and new books will be sent out on Mondays.

Class 2 (Year 1) – same arrangements as Class 1 above.

Class 2 (Year 2) – reading books as above plus maths and spelling homework on Purple Mash.

Class 2 (Year 3) and Class 3 (Y4, Y5 & Y6) – same as Year 2 but with a ‘Serial Mash’ reading comprehension also.

Your child will be given a printed card with their unique Purple Mash log-in details so they can access the platform from home.

We are also looking at other online platforms to communicate and send information home, including homework. Please bear with us as we try to ensure we find a system that works best for everyone.

Please don't hesitate to contact us if you require any further information.

Kind regards

Mrs D Eaton

Headteacher
