## A note from Class 1...

We have loved having the children back in school and have enjoyed welcoming our new children to the Crawford family.

The children have been exploring our new areas in class and it has been lovely watching little friendships blossom already.

In Class we have been discussing what makes us unique and special.

We cannot wait for another exciting year with lots of fun and laughter along the way.

## Coming up @ Crawford...

Dear Parents

The children are well and truly settled back into their school routines now and it's been lovely to watch them showing such enthusiasm for their learning. We really do have the most wonderful children here at Crawford and it's part of what makes our school family so special.

We enjoyed taking Class 3 swimming on Tuesday and are now looking forward to our weekly sessions with Class 2. We have also welcomed the West Lancs Sports Partnership back into school for our Friday PE sessions. All the clubs are now underway and we owe a huge debt of gratitude to our fabulous staff for giving their time so that the children can enjoy these extra-curricular opportunities.

Please remember there will be a PTA meeting on Monday here at school at 7pm. We are really hoping to re-ignite our PTA, which really suffered during the pandemic so we would be VERY grateful if you feel you could spare some time to join us!

Hope you all have a fabulous weekend

## Why is Bulgaria in the news?

Because 17-year-old Mack Rutherford safely landed his airplane there...

...becoming the youngest person to fly around the world alone!

The journey took Zack five months. He covered 33,630 miles, visiting 30 countries and battling harsh weather.

Zack flew a small, light airplane at speeds of about 186 mph...

...he said the trip was challenging, but amazing!
