A note from Class 3...

...

Class 3 have had a fabulous return to school this week. In computing, we started our new unit of coding. Everyone showed exceptional curiosity and debugging skills.

In DT, we started thinking about our starter course ready for Mr Brearley to try next week.

In English, we began our new unit on the theme of survival. We had a great time discussing items we would pack to help us survive in the wilderness.

In maths, we have been using protractors to measure and draw angles.

Coming up @ Crawford...

C1 Nativity

15th December 2022
Class Christmas parties

16th December 2022
Break up for Christmas Holidays

Dear Parents, Carers and Children

It's been lovely having the children back in school this week although I'm not sure the weather has been quite so welcoming! It certainly feels like Autumn has set in ...and that Winter is on the way! Please can we remind you that the children will need their coats every day as they will be spending time outside – even during the cold spells!

We've had a great start to the PTA events this week with a really well-attended Cinema Night. The children enjoyed the movies and some culinary delights including pizza, hot-dogs and popcorn. I think though the fact that they could sit together with their friends made it all the more special for them. Thank you so much to the mums from the PTA who volunteered to supervise the children and prepare the food – we simply couldn't do these events without you.

It's going to be a busy half-term in the build-up to Christmas. Don't forget to check the calendar page on our website with some key dates of performances from the children. We are definitely aiming for a real, live audience this year!

Have a lovely weekend, everyone.

Find us on social media...

Crawford Village Primary School

@crawford_school

Don't forget to log on to your child's Seesaw account. You will find work that they do in school, photographs and videos that are not uploaded to social media and you can upload photos from home. Please ask if you are having any problems logging on and we will help if we can.

Do not forget to check out our school website! You will find details of upcoming events, term dates, important key documents and policies plus lots of information and photographs showcasing what we have been doing in school.

DID YOU KNOW?

Why is Greenland in the news?

Because scientists dropped special microphones into the ocean off its coast...

...to record sounds of the melting icebergs!

Greenland, the world's largest island, is mostly covered in ice. But it is melting faster than ever because of climate change.

Underwater microphones record earthquakes, wildlife, pollution and meltwater...

...to create "ocean memories" for the future.

ANTI-BULLYING
ALLIANCE

This **ANTI-BULLYING WEEK**
we are holding

ODD SOCKS DAY on
MONDAY 14TH NOVEMBER 2022

Come to school
wearing your odd
socks to celebrate
what makes us all
unique!

If you're worried about bullying you can speak to ...
