A note from Class 1...

...

We have had a very exciting week in Class 1. It all started when a witch left an unusual array of objects and a muddy mess in our classroom. Luckily she left a letter for us asking if we could design and make a new broomstick for her, as hers had snapped in two! The children decided it must be the witch from our class story 'Room on the Broom'.

We worked together to design, label and construct the broomstick and then used the broomstick to act out the story. The witch then sneaked in during lunch and whhoooshed up and away.

Coming up @ Crawford...

Diary Dates

Mon	Lunchtime - School Council / Well-being / Recorders
Tues	Lunchtime - Choir / Library After School - History Detectives
Wed	Lunchtime - Spanish / Chicken Club After School - Craft Club
Thurs	Lunchtime - Brass / Chess
Fri	Whole school assembly Lunchtime - Coding Club

14th December 2022 C1 Nativity
15th December 2022 Class Christmas parties
16th December 2022 Break up for Christmas Holidays

Dear Parents, Carers and Children

What a busy week we've all had! The children have been taking part in lots of activities surrounding the key messages of anti-bullying and spreading friendship and happiness throughout school. We have the most amazing children in our school and they never fail to impress us with the care and compassion they demonstrate towards each other.

Everyone has enjoyed the deviation from school uniform this week, starting with our Odd Socks Day where we celebrated the individuality of everyone. Well done to all the children for taking part!

We wanted to say a huge thank you to everyone who contributed to our adult tombola prizes on Wednesday - we will be collecting for the children's tombola next Wednesday. We wouldn't be able to hold events like our Christmas Fair without the generosity of our amazing families.

The children have been having great fun today celebrating Children in Need. The School Council pupils have organised mini events throughout the day and we have discovered some very talented 'Bear Pong' competitors!

Finally, I wanted to recognise what fantastic teachers some of our parents make! We had visits from 4 parents this week to share with the children how maths is related to their jobs. What inspiring presentations they all gave and the children absolutely loved it! A huge thank you to those parents who gave up their time to visit us and prepared such fabulous presentations – you may have discovered a new vocation!

Wishing you all a lovely weekend,

Mrs Eaton

Find us on social media...

Crawford Village Primary School

@crawford_school

Don't forget to log on to your child's Seesaw account. You will find work that they do in school, photographs and videos that are not uploaded to social media and you can upload photos from home. Please ask if you are having any problems logging on and we will help if we can.

Do not forget to check out our school website! You will find details of upcoming events, term dates, important key documents and policies plus lots of information and photographs showcasing what we have been doing in school.

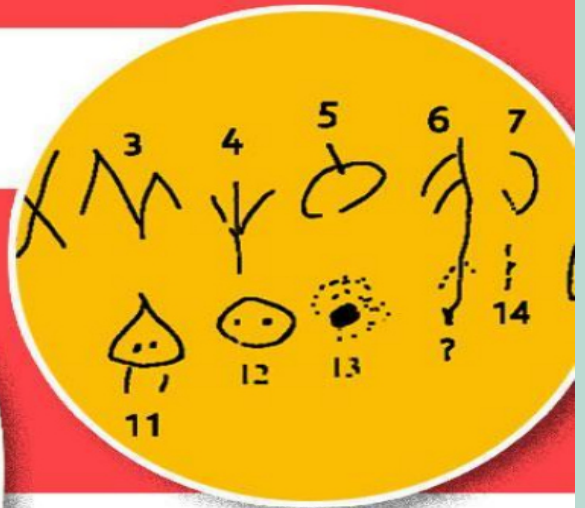

DID YOU KNOW?

Why is Israel in the news?

Because scientists discovered a 3,700-year-old comb with the earliest writing ever found...

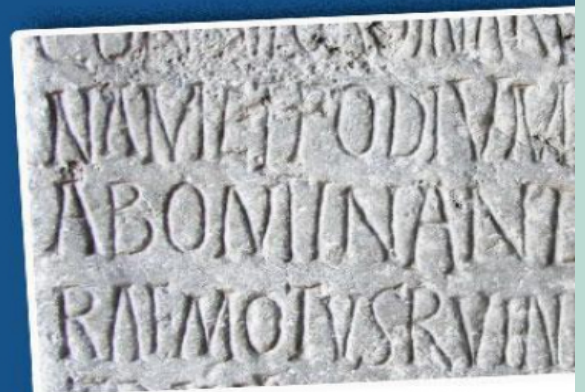

...that uses the letters of an alphabet!

ODDIZZI

THE DAY
Build a better world

The comb was found in the ruins of an ancient city. People who lived there came up with their own writing.

Instead of pictures or symbols, they used letters that stood for sounds...

...this invention led to many other alphabets!

ODDIZZI

THE DAY
Build a better world

We have had an extremely busy, fun-packed week in school as we took part in some very important awareness day and celebrations.

The children in key stage 2 were treated to some fantastic visits from parents who came to talk about their careers as part of Maths Week. Thank you so much to those parents that volunteered their time – the children loved these sessions! We also took part in a whole world TT Rockstars competition – congratulations to Lucy PH, Emilia and Stanley who came top in their respective groups.

Next, we learned how voting works and about the role of parliament while the School Council arranged a vote for a new snack as part of UK Parliament Week.

Finally, we started Anti-Bullying Week with a whole-school assembly. Each class then took part in lots of other activities to raise awareness of this important issue.
